

ECON 101A: MICROECONOMICS (MATH INTENSIVE) SECTION SYLLABUS

Spring 2025

GSI:	Anson Tam
Email:	ansontam@berkeley.edu
Office Hours:	M 17:00–19:00 PT (Evans 640)
Section Time:	M, W 9:00–10:00 PT (Section 101) M, W 15:00–16:00 PT (Section 105) M, W 16:00–17:00 PT (Section 106)
Section Location:	Latimer 105 (Section 101) Barker 110 (Section 105) Barker 110 (Section 106)

Section Overview: Sections are designed to review key concepts covered by the professor in lectures from the previous week and to enhance your understanding of the course material while helping you prepare for problem sets and exams. Sections will start at Berkeley Time and begin on Wednesday of Week 1.

Contact Me: I am reachable at ansontam@berkeley.edu for any questions. Please include [ECON 101A] in the subject line. I will try to reply to your emails within 48 hours but please allow for more time if the question is complex in nature. For longer questions that require a more detailed explanation, please come to my office hours.

Office Hours: My office hours are in-person on Mondays from 17:00–19:00. If you cannot make these office hours, the professor and my co-GSI have offerings below:

- Professor Cecile Gaubert: Evans Hall 687, Wednesdays 2-4PM.
- Bruno Cittolin Smaniotto: Zoom, Wednesdays 6-8PM

Section Attendance: Section attendance is not required. However, this is the math-intensive version of the Microeconomic course, so the content will be quite difficult. Students who consistently show up to sections tend to do better during exams.

Problem Sets: Please refer to the course syllabus for the Problem Set schedule. Submissions should be made through Gradescope; physical submissions will not be accepted. On your submissions, please box your final answer so that we can easily find your response. We will grade problem sets on completion. Late work will not be accepted without proper documentation.

Accommodations: If you need disability-related accommodations in this class; if you have emergency medical information you wish to share with your GSI; or if there is anything else your GSI needs to know, please inform them immediately. You can email your GSI to set up private office hours for these requests. For disability-related accommodations, you also need to obtain an accommodations letter from DSP (<http://dsp.berkeley.edu>) which will be sent directly to Professor Huang. Extensions will not be given without proper documentation.

Limits to Confidentiality: As UC employees, all course instructors and tutors are Responsible Employees and are therefore required to report incidents of sexual violence, sexual harassment, or other conduct prohibited by university policy to the Title IX officer. We cannot keep reports of sexual harassment or sexual violence confidential, but the Title IX officer will consider requests for confidentiality. There are confidential

resources available to you, including the PATH to Care Center (<http://sa.berkeley.edu/dean/confidential-care-advocate>), which serves survivors of sexual violence and sexual harassment.

Academic Integrity: The Honor Code adopted by the UC Berkeley student community says “[a]s a member of the UC Berkeley community, I act with honesty, integrity, and respect for others.” Please remember to uphold this standard. All your work should be your own thoughts. Academic dishonesty will be subjected to disciplinary action.
